

2023 Dodge County Farmers HSHW Member Conservation Practice Survey

Dodge County Farmers Healthy Soil Healthy Water (DCF HSHW) requests current and future members to complete this survey to measure the conservation practices that are being done on the land and to track our group’s progress.

Identifying member information will remain confidential and only aggregated results will be shared publicly. This information helps us report progress and the impact we are having to our partner organizations that provide funding to our group for activities and share our progress with our local community.

*****Surveys must be completed by November 15th to be eligible for cost-share.**

Please place a check mark in the column most applicable to you and your farm and **if you are using a tool or practice, please let us know how many acres that practice is used on**. If you have any questions while completing this survey, please email Shawn Wesener at swesener@farmersforsustainablefood.com or (920) 980-3756. **OR you can visit dodgecountyfarmers.com to fill out the survey online.**

Are you a DCF HSHW member? Yes _____ No _____

Are you interested in becoming a DCF HSHW member? Yes _____ No _____

Name: _____

Farm Name: _____

Address: _____

City: _____ St: _____ Zip: _____

E-mail address: _____

Phone: _____ Cell: _____

Farm type (circle) Dairy Beef Hog Crop Other (describe): _____

Cropland acres managed (include owned & rented total): _____ Pasture acres: _____

Grassland/CRP acres: _____ Forest acres: _____ Wetland acres: _____

Total livestock head (Total youngstock + adult animals. If multiple species, include # of each, i.e. 100 dairy, 200 beef):

Your most common crop rotation in recent years: _____

Please select your interest(s) from the following programs/initiatives for DCF HSHW to pursue:

- | | | | |
|--------------------------------|-------|-----------------------|-------|
| Composting/manure handling | _____ | Measuring soil health | _____ |
| Cover crop nutrient credits | _____ | Rotation benefits | _____ |
| Grazing | _____ | Soil compaction | _____ |
| Herbicide use with cover crops | _____ | Other: | _____ |

Visit dodgecountyfarmers.com to fill out the survey online!

Tool or practice	Yes	If yes, how many acres/miles/count in 2023	No, but interested
Soil testing	Circle: Yes or No		
Variable rate fertilizer application (acres)		acres	
Split Nitrogen Application (acres)		acres	
Nitrogen stabilizer (acres)		acres	
Are you following a 590-compliant Nutrient Management Plan (NMP)?	Circle: Yes or No _____ acres (Do not include acres that receive manure from your farm but you don't manage)		
Cover crops (acres) (Does not include Alfalfa)		acres	
No till (acres)		acres	
Of the acres planted with no-till, how many of these acres also had cover crops (acres)		acres	
Strip till (acres)		acres	
Of the acres planted with strip-tillage how many of these acres also had cover crops (acres)		acres	
Planting green (acres)		acres	
Total grassed waterway (miles)		miles	
Low-disturbance manure injection (acres)		acres	
How many acres of no-till do you also apply low-disturbance manure injection (acres)		acres	
How many acres of strip-till do you also apply low-disturbance manure injection (acres)		acres	
How many acres of your cover crops do you also apply low-disturbance manure injection (acres)		acres	
Rotational grazing (acres)		acres	
How many acres of cover crops do you also graze (acres)		acres
