

January 5, 2024

Dear Friends,

On behalf of the Dodge County Farmers Healthy Soil & Healthy Water (DCF), we would like to thank you for your sponsorship of DCF. As a supporter of DCF, you demonstrate your commitment to the future of sustainable farming in Dodge County and beyond. We are writing to ask that you renew your support of our organization for 2024.

DCF is your connection to the news and events that affect progressive, conservation-oriented farmers in our community. With our e-mail alerts, website ([dodgecountyfarmers.com](http://dodgecountyfarmers.com)) and social media channels, DCF keeps you informed.

DCF has over 60 farm members, totaling more than 50,000 acres. Our mission is improving our community's soil and water through conservation practices and education. We are composed of farmers from Dodge County who work together to educate other farmers on conservation methods. Members of DCF share information gained through field trials with fellow farmers, to increase the sustainability of farming across the county.

Sponsorship dues are used to engage members and stakeholders through educational events, conservation incentives to farmers, research projects and communications. In 2023, we completed our second annual member survey of conservation practices being implemented on area farms. Results will be released early next year. We also held five field days focused on equipment, grazing, soil health, nutrient management, and cover crops.

Your generous support and continued interest in DCF are greatly appreciated. We hope you will be able to join us at events like our annual conference (soil health expo) on February 7, spring showcase, cover crop showcase, and other events. As you support our initiatives, working together as a unified organization, we can best support agriculture in Dodge County.

If you are interested in volunteering for an event, please contact us, or feel free to share your ideas or suggestions for improving the organization. We hope you will consider sponsorship of DCF for years to come.

Board of Directors: Tony Peirick (P), Marty Weiss (VP), Dave Roche (T), Brendon Blank (S), Chris Conley, Jeff Gaska, and Randy Braker.

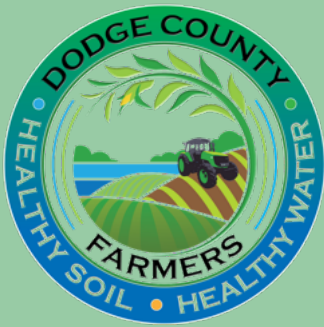

Thank you again for your support and we look forward to another great year!

Sincerely,

A handwritten signature in cursive script that reads "Tony Peirick".
